## Covid-19 Guidelines

(updated: 5/10/20)

### **Hi MindBodyArt Families...**

After testing out our safety protocol over the last 2 weeks, we are happy to announce that we will be opening our doors on Monday, June 15th for our first round of summer programs. We are excited to welcome our summer students into the studios with a few "new norms" to keep everyone safe and healthy and to get us moving again.

Below are the guidelines we will follow:

*Note: Any updates to these guidelines will be updated on website, camp/intensive BAND pages, and emailed to parents.*

### **Our Facilities...**

- Our 4 industrial grade HVAC systems have been:
  - Cleaned
  - New filters added
  - Always set to have the fans running to continuously pump in fresh air and keep the rooms well-ventilated
- We have installed:
  - 9 hand sanitizing stations that are in every hallway and room
  - 6 air purification systems with medical grade filters
- Rooms will be cleaned and sanitized between each camp with the use of a non-toxic disinfectant fogger.
- Lobby areas & restrooms are closed to the public, including parents & siblings.
  - Visitors must call ahead and schedule an appointment.
- The water fountains are not currently operational.

### **Scheduling...**

- Camp start and end times will be staggered by 5 minutes to prevent student-camp crossover in hallways and at check-in/check-out.
  - Modified check-in/check-out times will be emailed to parents.
- Dance, Tumbling, & Fitness Camps:
  - Ages 5-12: Limited to 10 students per camp.
- Musical Theatre Camps:
  - Age 5-12:
    - Limited to 10 students per camp.
    - When using our 1400 square foot studio, the limit is 14 students per camp. An assistant teacher will be added when utilizing this studio.
- Dance Intensives:
  - Ages 11 – 19:
    - Limited to 10 students per intensive
    - When using our 1400 Square Foot Studio, the limit is 15 students per intensive.
- End-of- camp performance will be recorded and posted on Camp/Intensive BAND Page.
  - Camp/Intensive BAND classroom page links will be emailed to parents.

### **Camp Check-in & Screening...**

- An adult must escort the student to check-in/screening area at the assigned time.
  - Both the adult and the student must wear a face mask during check-in/screening.
    - Students must also wear their mask when they are walking in common area hallways.
    - Students are NOT required to wear a mask when in their assigned classroom or when outdoors during camp.
- At check-in, we will take the temperature of the adult and the student before the student will be permitted to enter the building.
  - If either temperature is 100.4 or higher, the child will not be permitted to join the camp that day.
  - If there are any signs of illness with the drop-off adult or student, the student will not be permitted to join the camp that day.
- At check-in, the adult will be asked several questions related to COVID-19.
  - Please alert us and stay home if you, someone you live with, or someone you have been in close contact with has an active COVID-19 diagnosis, a fever, or any symptoms of COVID-19. Email [info@mindbodyartdance.com](mailto:info@mindbodyartdance.com) or call (814) 571-3309.
- Upon entering the building, each student will sanitize their hands.

### **Camp Check-out...**

- A modified check-out/pick-up time will be assigned to each camp/intensive.
- An instructor will escort the students to the outside/front entrance of the building at their assigned check-out/pick-up time.
- Please be in the parking lot and ready to pick-up your child at the assigned time.
- Assigned pick-up times will be emailed to parents and posted in the camp BAND classroom page.

### **Meals, Snacks & Water...**

- Each day pack a large, full bottle of water for your child.
  - Make sure the water bottle has your child's name on it.
  - Reminder: Water fountains are currently not in use.

• If your child will be with us for an entire camp day (morning + afternoon), please make sure to pack their lunch.

• We will provide a storage container at check-in for students' items.

• During each camp, we will take a 15-minute break (outdoors if the weather permits).

• Pack a snack for your child to enjoy during their snack break(s).

We know that COVID-19 has created a "new normal" for us all, however we are committed to creating a safe, fun, and memorable summer for your children!

**Big Hugs,**

**Your MindBodyArt Family**
